ARMAND DE BRIGNAC (ACE OF SPADES CHAMPAGNE)

We have attained an exclusive partnership to distribute this brand across Ontario. Recently rated the #1 tasting champagne in the world out of 1,000 competitors tested. Private sales directly to our clients including delivery. Direct Sales to only the finest venues across the province via licensee accounts. We also offer all three varieties including the Brut Gold, Rose and Blanc de Blancs. All sizes are available including the standard 750ml bottles up to the very rare and truly exclusive 6L Brut Gold Methuselah. For the Ultra Elite, the 30L Brut Gold is a must!

F VODKA (POLAND)

We have attained an exclusive partnership to distribute this private order only Vodka across Ontario. Fashion Vodka (F Vodka) was co-developed by FashionTV President and Founder Michel Adam. Dubbed "The Elixir of Fashion", the product is derived from the highest quality raw materials. It is distilled four times, then filtered through a "slow-flow ultra-filtration" process and allowed to mature for several weeks before bottling.
